

Hanover-Horton Booster Club Presents: Monkeyball 2011

October 29, 2011 10:00am

Where: H-H Football Field

When: Check-in & Late Registration starts at 9:00am

We know what you are thinking "What is Monkeyball?"

Monkeyball is a version of the popular ladder golf game played on campgrounds, campuses and backyards across the country. This game may look similar to one you've played before, but you're not playing Monkeyball unless you use the official Monkeyball rules -- throw from 30 feet, 3 points on bottom, no bounces and differential scoring played to 15 are just a few of the highlights.

Each person plays as an individual, bracket play will be set up based on the number of participants. Cost is \$10 per player and anyone can play! Rules will be explained at 10:00am and then play will begin. Each player will play at least 2 games. If you'd like to read more about Monkeyball go to the official web site www.playmonkeyball.com
